It is my desire that . . . the income given by the Twelfth Clause of my will for the purchase of books, maps and other library material of permanent value and benefit, shall be in addition to the sums appropriated by the City for the maintenance of the Boston Public Library, and that the same shall not be taken into account in any appropriation by the City for that purpose.
"I, therefore, hereby provide that . . . such income as is given by the Twelfth Clause of my will for the purchase of books . . . shall be applied for those purposes only in years when the City appropriates for the maintenance of the Boston Public Library at least three per cent (3 per cent) of the amount available for department expenses from taxes and income in said City.
"In any year when the City does not thus appropriate at least three per cent (3 per cent) of the amount available for department expenses from taxes and income in said City, the income given in said will for the purchase of books shall be paid to the Rector of Trinity Church in the City of Boston to be by him disbursed in relieving the necessities of the poor."
By an Agreement of Compromise entered in the Probate Court of Suffolk County on January 15, 1935, the BENTON BOOK FUND was established ". . . as a permanent fund, the income and

interest thereon to be applied annually by the Library Trustees, without regard to the amounts appropriated by the City of Boston for the maintenance of the Boston Public Library in any year, as follows:— (a) Six-tenths (6/10) of such income is to be applied annually by the Library Trustees for the purchase of books, maps and other library material of permanent value and benefit for said library; meaning and intending hereby that such income shall be applied for books desirable for scholarly research and use; (b) The remaining four-tenths (4/10) of such income is to be paid over annually to the Rector of Trinity Church to be by him disbursed, either directly, or in his discretion, through charitable organizations or agencies, whether incorporated or unincorporated, in relieving the necessities of the poor."
